<b>TO</b> All Posts	<b>REFERENCE</b> IPS/Special Materials	
<b>DESCRIPTION, PROGRAM OBJECTIVES, ETC.</b> AN ASSESSMENT OF INTERNATIONAL COMMUNISM'S CURRENT OBJECTIVES AND TACTICS This study, based in part on information not previously available, is regarded as a significant, objective analysis of communism's goals and tactics in the year ahead. It represents the first of what is hoped will be a continuing series of probing studies of topical problems in the field of communist affairs. It incorporates the results of considerable work and thought on this subject by U.S. government research activities.		
<b>SUGGESTED ATTRIBUTION, USE AND TARGET AUDIENCE</b> FOR UNATTRIBUTED USE ONLY. Should be valuable to those follow developments in the communist movement. Suggested placement: 1. To interested editors for background. 2. To opinion moulders as appropriate. 3. To intellectuals with special interest in subject.  NOTE: ATTACHED ARTICLE IS <u>UNCLASSIFIED</u> WHEN THIS TRANSMITTAL SLIP IS REMOVED. Additional copies may be ordered from IPS/SM		
<b>POST REMARKS:</b> (Posts are requested to comment on planned usage and potential effectiveness of material. Appraisals should be frank, with specific concrete suggestions and criticism wherever appropriate. Upon completion return copy to the Press Service, U.S. Information Agency.)
